

# Helping Our Patients Get Back to Active Living!

MediLodge of Port Huron helps patients of all ages achieve maximum independence.

Patients make appropriate recoveries through occupational, physical, and/or speech therapies.

Therapy treatments are offered throughout the week by licensed professional therapists in our well-equipped rehabilitation center.

Our dedicated team develops comprehensive, individualized care plans to maximize patients' physical, social and emotional independence safely and quickly.

Learn how we are able to help you, a relative, or a friend get back to active living.

*Recover . Rejuvenate . Revitalize . Return Home .*
